I B.Com and BBA students on 1st July 2025 from 2:10 PM to 3:00 PM.

An Orientation Programme on the Minority Cell was conducted for I UG students to create awareness about the support systems, rights, and opportunities available to students belonging to minority communities. Ms Rajeetha , Coordinator, conducted the session and highlighted the committee's aims and objectives. The session aimed to familiarize students with the purpose and functioning of the Minority Cell and to promote an inclusive academic environment.

The orientation programme was organized with the objective to **create awareness** among students about the existence and role of the Minority Cell in the institution, to **provide guidance on scholarships, financial rights and privileges** as per government policies and institutional guidelines. The orientation programme successfully enhanced students' understanding of the Minority Cell and its significance, making them more aware of the opportunities and support systems available.
