RESEARCH POLICY

St Pious X Degree and PG College has successfully completed 25 years of services in the field of higher education with the focus of women empowerment. The College developed rich cultural heritage core values in providing quality education and developing research. The Research committee plays a significant role and takes up various initiatives to promote, evaluate and sustain the quality of research in higher education. Further Committee updates the faculty members about the availability of funding agencies and encourage the staff and students to take up multi disciplinary research for societal benefit. The Committee gives special emphasis on funded projects and conducts seminars, conferences and workshops.

To inculcate research aptitude among the staff and students, the Research Committee in consultation and approval of the college management framed the following research policy

- To promote Research and Research Culture in different disciplines, to uphold the core values, Mission and Vision of the College.
- Research shall focus on quest for excellence and National development.
- To encourage and empower women in pursuing research.
- Research shall focus on knowledge and skill development with values.
- Research should be undertaken for biodiversity, environmental protection and sustainable development.
- Research shall be on entrepreneurship development and start up to create more employment and contribute to the development of economy.
