Campus Drive by Synchrony Financial

We are looking for fresher's who have excellent Communications skills for Process Associate Role (Customer Service Executive). The students will join us as full time employees post their final exams based on the date of joining available as per our business requirement.

Company Profile: GE Capital's Retail Finance [**now known as Synchrony Financial**] business is among the country's most successful retail lenders, with 80 years of experience in consumer financing. The business, which originates loans as a unit of GE Capital Retail Bank [**now known as Synchrony Bank**], provides credit card programs to retailers and consumers in the United States and Canada. We build better businesses through customized private label and bankcard credit programs to national and regional retailers in the U.S., as well as private label credit card programs, promotional and installment lending, bankcards and financial services for consumers through dealers; national, regional and independent retailers; contractors; manufacturers; healthcare practices; and service providers across nearly 20 industries.

We are committed to being an employer of choice, offering competitive rewards, compensation and benefits. When you join our team, you become part of a stimulating work environment with vast opportunities to sharpen your skills and embrace new leadership challenges.
