

ST.PIOUS X DEGREE & PG COLLEGE FOR WOMEN

Presented to Governing Body

I deem it an honour to present the 22nd Annual Report 2015-16 of St. Pious X Degree & PG College for Women, Nacharam to the honourable Governing Body of the College. As a Principal its is a priviledge to contribute my energy in the service of young students who leave the portals of the college with fresh hope and bright dreams.

Capacity Building for Staff

The Academic year 2015-16 began on 1st June 2015 with a special prayer in the chapel to intercede for the Almighty to shower His blessings and guidance for the year. Reflecting the goals of the Institution in the area of Academic Excellence the Staff seminar was arranged by the Computer Science dept. on the topics - “Teachers as Academic Leaders” and “Testmoz” -an online designing software and also on “Quality enhancement in Higher education” and “Mentoring excellence- Gen Y” and “Human Excellence and Values” by Social Sciences dept and IQAC.

This year the Management has appointed Sr.V.Japamala Showrilu as the Correspondent of the Institution, Sr. B.Velangini as the Vice Principal of the College from June 2015. Prof.Kalidas has taken charge as Principal of (MBA) on 1st July 2015. 17 teaching staff recruited in undergraduate and post graduate courses. Sr. Ramya has been appointed as Hostel Warden for this Academic year.

Admissions and Student Strength

The admission process for the year 2015-2016 was carried out with Professional competence. The online facility for admissions made the admission process easy. Foreign students were admitted through UFRO of Osmania University. Students from China, Syria, Iraq, Yemen, Tanzania and Vietnam are studying this year.

I am glad that there is a remarkable increase in admissions of about 15% and 20% in commerce and computer sciences respectively.

Academic Guidance and support:

- ✚ The academic performance of the students reflect the academic ambience and quality service of the teachers. The focus was on Continuous Comprehensive Evaluation CCE and the performance of each student is informed online to the parents.

- ✚ Remedial classes are organized in various subjects in view of helping the students who are weak in academics. Bright students are provided with extra information.
- ✚ Nearly, 2/3 of our passed out students enrolled for Higher studies. The Post graduate students were encouraged to take up research. Few students are working in Prestigious Laboratories in India and Abroad. All the students were encouraged to take up Project work in collaboration with other Institutions.

Examination Results :

St.Pious X College has adapted various initiatives to improve the Quality of Education. The hard work and dedication of the staff and students produce excellent results year after year. In keeping with past record, last year's results were good.

✚ Achieving the ranks in Osmania University is a regular feature of the College. I am proud to announce that this year 24 students were declared as top rankers in Osmania university out of which 10 from BA, 5 from Physical Sciences and 9 from Life Sciences. Miss. Pooja Jain of III B.Com Regular (2014-2015) secured 07th rank in the public examination held for the year 2014-2015 in the University.

This year the total number of gold medals increased to 28 in 22 years.

I Q A C - Internal Quality Assurance Cell

The Internal Quality Assurance Cell embarked initiative consciously and consistently to ensure excellence in the academic and non-academic programme of the College. IQAC has been primarily responsible for various quality enhancement initiatives. In 2015 the IQAC played an active role in internalizing a culture of quality within the Institution. It emphasized on creating awareness among stakeholders on various environmental issues by initiating Piousian Cyclists Club to make students conscious about traffic problems, air pollution and also about the importance of physical fitness. The Cell assessed and evaluated the overall performance of the departments and feedback of the students was analysed for the same.

The IQAC promotes innovative practices to achieve academic excellence through:

- ✚ Innovative Academic and Research Activities.
- ✚ More consultancy services
- ✚ To plan and organize Intra-Collegiate Exhibition and Competitions, Intercollegiate Competitions
- ✚ To enhance Placement Cell activities
- ✚ To promote Entrepreneurship among students as an initiative towards “Make-In -India” campaign
- ✚ To hold more Student Centric activities
- ✚ To increase Industry-Academic Linkages
- ✚ To involve the Alumni in Support Activities

Infrastructural improvement.

- ✚ The establishment of a Mass Communication Laboratory helps the students to transform innovative ideas into reality enthusiastically.
- ✚ Expansion of Psychology Lab.
- ✚ Installation of more CC cameras on the campus.
- ✚ Expansion of parking shed for students and staff
- ✚ Auditorium is provided with a sophisticated LCD Screen

Library: A House of Treasure!

There are three libraries separately for UG, PG and MBA courses connected with intranet. They are fully automated with reprographic facilities and has 22,578 books, 60 Print journals and 03 E-Journals, 476 DVDs and four data bases namely EBESCO, Business Source Elite, J-Gate Social and Management sciences and N-List from INFIBNET. We can browse nearly 8000 e-Journals from these databases. They can allow full text articles, e-books, company profiles and tutorials for faculty, i.e., video lessons. We have been over the years strengthening the library by purchasing books, reference books and subscribing National and International Journals in many disciplines. We have the facility to access the e-Library and every student is provided with e-Password. The library has a free Book Bank and it works from 9.00 am to 5.00 pm on all working days. Every year National Library week is celebrated and students enthusiastically participate in various Literary and Skill game competitions. Library committee selected 32 students as star users and presented “Star User Card” to rank holders.

ICT Resources:

The college has taken special interest in Tech support teaching. Smart Boards and 230 computers have been installed in the college, 179 Computers are under LAN Connection and all Computer Labs are connected to Internet facility. MBA Lab has Wi-Fi facility.

The Faculty assign online assignments to the students and also post the subject notes and suggestions online to the students. Many departments are maintaining their Blogs for academic purpose. All the MBA and M.Sc and a few under graduate classes are provided with LCD Projectors. e-Display boards are also installed at the lounge and gives updated information on the college activities every day.

Annual e-Governance Report

Following the strategic policies of the Management. It has immensely helped in improvising governance activities and enhancing good governance, characterized by participation, Transparency and Accountability.

- ✚ e-governance has been updated and implemented in the areas of Planning and Development, Administration, Finance, Examination, Student support.
- ✚ The College initially started using EZ VOLK SOFT, a Big Data Management and Governance tool installed in the year 2006-07, used to maintain student database, generate student fees, transfer certificate and bonafide certificates. Taking a next step towards e-governance, the college installed a licensed package of Tally ERP 9 for processing finance and accounts of the college in the year 2007-08.
- ✚ In the year 2008 college had launched its official website, which is acting as the most important medium of communication between the college and its stakeholders, which is continuously updated and upgraded according to the market requirements.
- ✚ During the same period (2007-08) the college also introduced “Biometry Software” which helps the organisation in fulfilling time and attendance needs and also helps the Management in administration by tracking employee attendance accurately. It supports and strengthens administration of approved leaves and allocated shifts.
- ✚ Biometry software SSL, eTime, Track Lite, an enterprise grade web based software was upgraded in 2015-16.
- ✚ College also geared with the Osmania University Online Information system for Education, since 2010 for reliable student data process which was revamped in November 2014 for information in the University Examination.
- ✚ The college deployed “ANALOGISTICS”, a fingerprint reader for the Biometric data Capture, identification and verification of Aadhaar ID upgraded in the year 2015-16
- ✚ As a part of Planning and Development, in the year 2011 the College introduced an intranet facility to facilitate student feedback system which was again upgraded in the year 2015.

- ✦ College has also registered with the latest affiliation details issued by Osmania University, in Electronic payment and Application System of Scholarships(e-pass) implemented by Telangana Government through Center for Good Governance, and many other IT facilities used such as EPF, Professional Tax, Employees State Insurance Corporation (ESIC)

Examination and Evaluation

The college conducts in house exams and communicates the performance of the students to the parents online.

Evaluation & Remedial Classes: - To monitor the continuous progress of the students, the college adopted various methods to assess the students' performance through test, seminars, workshops, group discussions and assignments. Special coaching is given to the weak students. Regular internal tests and terminal examinations are conducted and marks are sent to the parents online. Remedial classes were conducted for the II & III year students of B.A, B.COM & B.SC who needed special guidance and support to pass the supplementary exams.

Orientation Programmes:

Parent Orientation for all the first year students was organized on 11th July 2015. The theme for the programme was "Imparting Life Skills" by Prof. Rajamouli from Dept of Education, Osmania University. He urged the parents to take care of over- all well being of their children and thereby ensuring a better society to live.

In addition to this, orientation to I, II & III year students on 'Health Management' on 23rd August 2015, 'Values in Life' on July 7th 'and 'Facing Challenges in Life' were also organized. Apart from this User Orientation Programme, NSS, PEARL & Placement orientations were also conducted.

Parent - Teacher Meet

The parent - Teacher meet was conducted on 17th July 2015. Parents attended the meeting and expressed their views about curriculum, discipline, campus recruitment, sports and extra curricular activities. The marks memos of their wards were personally handed over to them.

Add-on courses — Skill based Certificate courses— Tap the Talent

Skill-based certificate courses were offered to I year students in Food and Nutrition, Multi-Media, Web Designing, Bakery and Confectionaries cookery etc., The classes for these courses were conducted over a month's time commencing from August 2015. These courses are designed to supplement the students' employability prospects by tapping their natural talents.

A 90-hour certificate course in SAP was introduced in August, 2015 keeping in mind the need of the Computer Science students and to support them against the high fees charged at various other institutes.

Under Employability Skill Program, the college offered 35-hour certificate course

titled 'Grooming for Growth' in Communication Skills in English and Personality Development.

Diploma in Travel and Tourism course by Across the Monde for 3 months started in October 2015 which is offered to students who wish to take up a career in aviation and related fields with reasonable charge of fees.

Bridge Course in English, Genetics, Zoology, Political Science, Public Administration, Computer Science, Chemistry, Taxonomy in Botany and Biotechnology were offered in the beginning of the academic year equipping the students with the basic skills and cope up in their respective subjects.

Interdisciplinary Courses

Integrated learning helps the students to be successful and get challenging careers, hence 8 interdisciplinary courses were conducted in the month of November for second and third year students in "Foreign Policy - components and Look East Policy", Importance of Psychology in the present scenario, Communication Skills, Good governance, Financial services and Banking, Genetic Counselling, Basics in Statistics, Nano-technology, Health and Nutrition.

Career Guidance Programmes

The college is ever conscious to motivate the students to have focus on career. We organized frequent career orientation Programs by inviting the experts from Industry, reputed Laboratories and Technical Institutes. This year eight such Programs were arranged, nearly 600 students utilized this opportunity.

Guidance for Competitive Examinations: TIME, NIIT & Madhava Maths Institutes visited our college to orient and guide our students to prepare for various Competitive Exams .

Communication lab

Communication Lab caters the language proficiency of the students and boosts their confidence in oral and aural skills. The provision of systems with headphones facilitate audio video lessons for self learning designed to test and evaluate their level of understanding and enhance their communicative skills for global competency

Remedial coaching

These classes are organized after identifying academically weak students. The departments facilitated tutorials or remedial sessions based on slow learners' performance in internal examinations or external examinations. The students are also assigned with assignments at regular intervals of time to enhance their performance

Yoga and meditation

A powerful Meditation helps find the inner strength, wisdom, and confidence to live each day with clarity. Understanding this need of the hour, for the younger generation the college has made provisions for a meditation centre. Pious Meditation Centre is provided for the

students to experience a serene atmosphere to meditate and develop inner strength, confidence levels and concentration. Apart from this, the college organised yoga awareness sessions and

celebrates International Yoga Day every year.

Personal Counseling

The College has a counselling centre with an international trained counselor and six other counselors trained by Sahayam Cell from Osmania University to address the psychological and social issues of students like suicide prevention and stress management whenever need arises. Parent teacher meetings are held regularly and feedbacks from them is used in understanding students in better way. Home visits are made by the counsellors whenever required to provide personnel counselling services to students and parents. Initially each class in-charge offers counselling to the needy and if expertise counselling is required they are referred to the Counselling centre.

Mentor and Mentee

The Teachers are nominated as mentors and 25-30 students are placed under the care of each mentor. They meet the students if any problem or grievance they face and give timely and necessary counselling.

Guest Lectures

Organizing guest lecture is one of the salient features of the college. This year 30 extension lectures were organised by various departments. Eminent scientists, Professors and Resource persons were invited from various fields with the objective of exposing the students to current trends and research in their respective subjects.

Organized by College
