

Annual Report Year 2016-2017

The Vision of the college is '*empowering women through holistic education, enabling them to function effectively as competent, socially committed and compassionate individuals*'. A quick glance into **1993** tells us that the college was **established** with a meager strength of 90 students in three disciplines of BA, B.Com & B.Sc. Now the strength increased significantly from **90 to 1900**. Accordingly the strength of faculty has also increased to a mighty **97** Teaching and **36** Non Teaching staff extending their dedicated services for the holistic growth of the students. It is a boon to have a team of committed, dynamic, highly qualified and experienced faculty who provide a congenial ambience for the intellectual growth and character development of the students.

The Institution offers 13 Under Graduate courses in BA, B.Com, B.Sc, 06 Post Graduate courses in M.Sc. Microbiology, Biochemistry, Chemistry, Physics, Mathematics and Business Management (MBA).

The goals and objectives of the institution: The institution aims at preparing the graduates to lead extraordinary lives in pursuit of Truth, Personal integrity, Ethical behavior and Care for others.

The under graduate and post graduate curriculum encourage knowledge building, creative thinking, ethical behavior, respect for diversity and all -round development. Quality consciousness, innovation, sensitivity and service are the **core values** of the college. St.Pious X aims to develop scientific minds with social consciousness, making the student a complete and perfect individual. Therefore we have set in certain goals this year:

- ❖ To facilitate skill based professional courses at under graduate level to fulfill the demand of the nation.
- ❖ To focus on Choice Based Courses based on Credit system to gain all round knowledge.
- ❖ To attain Autonomous status for Quality Enhancement

The Management

The Management was founded in 1918 in Nalgonda district, AP, by reverend Father Silvio Pasquali to spread the light of Christ through various charitable activities.

Our Patron

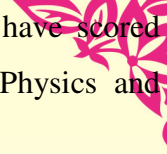

Pope St Pious X is our Patron Saint, a friend of all, who won youth with a smile. Simplicity, Humility, Faith in God, Fidelity, Fortitude and Charity are the virtues of the Saint. St. Pious X Feast is celebrated as Institution Day on 21st August every year.

- A moment of pride and joy! We are proud to announce that 33 students have scored 100/100 in OU Public exams in Hindi, Telugu, Computers, Commerce, Physics and Zoology.

Ms. Juveria Afshan, M.Sc. Biochemistry secured a University Gold Medal this year. Thus the total number of Gold Medals reached 24 in 23 years.

- **Admissions** : This year the Osmania University has introduced Online admission procedure. Nevertheless this year too, the number of admissions into First year courses increased with a strength of **580** students in UG and **215** in PG.

- **Welcome to the Innovative Curriculum!**

Choice Based Credit System (CBCS) is being introduced by the Osmania University from 2016-17. CBCS is student centric concept offering choice to the students to choose from science, arts and commerce. This comprises Languages for communication, Ability Enhancement Compulsory Course, Skill Enhancement Course etc. Such modern curriculum paves way for a lot of innovation moulding the young graduates for future endeavors.

- **NAAC Re-Accreditation: Reaching the Goal!**

The college was accredited by NAAC with 'A' grade in 2013. The second cycle of NAAC has begun as the Institution is marching ahead to submit the Self Study Report (SSR) by 2017. The AQAR 2015-16 was submitted in June 2016. The IQAC, various Criterion Committees and the college Management are diligently working with the latest tools & technology to develop quality in Higher Education and for a successful Reaccreditation.

- **Committees**

There are 22 College Committees constituted by the Governing Body of the Management. The various committee co-ordinators and members function effectively to plan and execute the schedule of all the academic, curricular and co-curricular activities.

- **I Q A C – Internal Quality Assurance Cell**

The Internal Quality Assurance Cell consistently ensures excellence in the academic and non-academic programmes of the college. It takes the responsibility of various quality enhancement initiatives. The Cell assessed and evaluated the overall performance of the departments and feedback of the students. In 2016-17 the IQAC promoted the following innovative practices to achieve academic excellence:

- ❖ Completed External Academic Audit for PG on 30th March 2016.

Library

‘Reading, a pleasure! It maketh a man perfect!’

With a view to enrich the knowledge of the students and to inculcate the habit of reading, every year new volumes are added in different areas of knowledge. The central and departmental libraries support intellectual growth and expand the horizon of learning. The central library is an academic hub, which is fully automated, stocked with a vast collection of latest books, periodicals, journals and cds. The college libraries are being utilized both by the Teacher and the Taught for their edification. Lending services and book bank are available to the deserving students.

There are three libraries separately for UG, PG and MBA courses connected with intranet. They are fully automated with reprographic facilities and has been added with **19,131 volumes** and **7560 reference books** which cost **3 lakh 50 thousand rupees**, and **74 national and international journals** cost **1 lakh 25000 rupees** this year. Moreover it has 476 DVDs and four data bases namely EBESCO, Business Source Elite, J-Gate Social and Management sciences and N-List from INFIBNET.

- The dept. organized **star users’** meet, an added facility to the rank-holders. Library committee selected 30 star users and presented “Star user card” to them.
- **National Library Week** was observed from 14th – 20th Nov 2016. The dept. conducted ‘Book Mark design’, ‘Story weaving’, ‘Loud reading’, ‘Choose and Suggest’ and Game skill competitions. Around 250 students participated enthusiastically.
- The department adopted a pair of peacock and one Indian Gharial at Nehru Zoological Park and has a MOU . A cheque of **Rs.21,000/-** was handed over to the curator on 28th Sept 2016 for renewal.

ICT – (Information & Communication Technology)

Information and communication technology is an umbrella term of communication device or applications used extensively by all the departments as recommended by Higher Education. Hi-tech internet enabled computer lab, computer based Communication Lab, LED projectors, Smart Boards, IVR system, Photo Copier, Wi-fi Facility, Open access system, e – Library etc, provided by the Management makes teaching and learning interesting and

innovative. ICT also provides more effective means of accessing, communicating and storing information.

Smart Boards and 230 computers have been installed in the college. 179 Computers are under LAN Connection and all Computer Labs are connected to Internet facility. Online assignments are given to the students and the subject material and suggestions are posted online to the students. Many departments are maintaining their Blogs for academic purpose. The classes are provided with LCD Projectors. E- Display boards installed at the lounge gives updated information on the college activities every day.

Continuous Academic Assessment and Evaluation

First and Second Unit Tests and Term Examinations for the academic year 2016-17 were conducted to assess students' academic performance. Continuous Comprehensive Evaluation through assignments, projects, quiz, presentations, online tests, jam, open book, book reviews, working models, literary albums, Viva, group discussions etc keep the students abreast with the curriculum and also regular to the classes.

This year we have conducted two Unit tests, Quarterly and Prefinal theory and practical examinations and two internal assessment tests, followed by Semester exam under CBCS pattern. The schedule of these examinations is well planned and implemented by the **Examination Committee** members.

Parents, Students and Teachers

The Parent Teacher meet was held on 13th August 2016 to review the progress of the second and final year degree students where memos were issued and necessary feedback was given and taken. Parents and Teachers play a vital role in shaping the future of their children.

Guidance and Counselling :

The class-incharge Lecturers act as counselors identifying the students' problems and help them to see things more clearly, possibly from a different point of view for a positive change. The faculty trained as counselors by 'Sahayam' OU and the professional counselors from outside assist the students in overcoming their emotional distress and personal problems.

Career Guidance:

Field Trips ‘Experience is the only teacher, says Swami Vivekanada...’

Field trips! Wow! reminds me of the high school excursion to exciting places. No doubt they are involved in learning but are also a day away from the class room and a valuable supplement to programme delivery. They are an extension of the class rooms, off campus

educational experience are also significant pedagogical tool in B.A, B.Sc, B.Com, M.B.A & P.G courses.

Academic field trips are an important and enjoyable element of Education. They enhance the content of a course by providing a type of information hard to convey in the classroom. Site visits contextualize historical or scientific data; interviews with participants or observation of species, phenomena or events often become an important part, both, of course, include content and the study of a discipline's methodology.

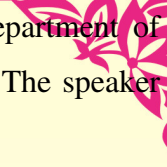

The various departments organized such course related activity outside the classroom to direct the minds of the student at a location other than on the campus, offering not only practical knowledge but offering feast to the eyes.

Celebrations....

*If you think positively
Sound becomes Music
Movement Becomes Dance
Smile Becomes Laughter
Mind Becomes Meditation
And Life Becomes a Celebration....*

It is difficult to think positively in challenging situations and testing times. One little secret can be of help during these times. Once you take a pause...from the regular and routine classes and you will be amazed to see your own positivity when you start participating in the joyful celebrations that happen in the college...

Indeed Good times become better and Bad times become Good Life goes on to be a Celebration!!!!

A holistic approach to life comes with celebrations and jubiliations at St. Pious X College, striking a perfect balance between academics and extracurricular talent and skill to free the mind and soul of everyone from monotonous learning.

We celebrate Fresher’s Day & Investiture Ceremony, Independence Day and Youth Alive, Institution Day- St.Pious Feast, Teachers’ Day, World Music Day, National Statistics Day, Literary Day, Hindi Day, Telugu Day, International Yoga Day, Pious Resonance week, Christmas, Women’s Day and Alumni Day, Valedictory and College Annual Day.
