

# AMAZON CAMPUS DRIVE 2017-2018

## Company Profile

*"Many of the problems we face have no textbook solution, and so we happily-invent new ones." – Jeff Bezos*

Amazon.com – a place where builders can build. We hire the world's brightest minds and offer them an environment in which they can invent and innovate to improve the experience for our customers. A Fortune 100 company based in Seattle, Washington, Amazon is the global leader in e-commerce. Amazon offers everything from books and electronics to apparel and diamond jewelry. We operate sites in Australia, Brazil, Canada, China, France, Germany, India, Italy, Japan, Mexico, Netherlands, Spain, United Kingdom and United States, and maintain dozens of fulfillment centers around the world which encompass more than 26 million square feet.

Amazon teams in India work on complex business challenges to innovate and create efficient solutions that enable various Amazon businesses, including Amazon websites across the world as well as support Payments, Transportation, and Digital products and services like the Kindle family of tablets, e-readers and the store. We are proud to have some of the finest talent and strong leaders with proven experience working to make Amazon the Earth's most customer-centric company.

**Eligibility: Graduation. Final Year candidates with no active backlogs can apply.**

**Location of Job:** Hyderabad

**Candidates are required to carry the following things:**

- 2 copies of their latest updates resume
- 2 passport size photographs
- Copy of all the mark sheets

## Profile: Alexa Data Services

Amazon Kindle is a revolutionary reading device, the #1 best-selling product on all of Amazon, and one of the most innovative and fast growing businesses at Amazon. Amazon has also developed significant digital and mobile businesses including Amazon MP3, Amazon Video on Demand, IMDB, Amazon Mobile store, and Audible. In support of our commitment to enabling, expanding and enhancing interactions with our customers, Amazon is now developing speech and language technology. We are seeking Speech and Language Transcribers to transcribe and annotate speech.

- The candidate will work under the direction of the Team Manager and must be capable of delivering high quality output under aggressive deadlines. Specifically, the Transcriber will:
  - Provide hands-on transcription and annotation services.
  - Translate established guidelines into daily work practices.
  - Work autonomously with minimum direction.
  - The tasks will be primarily repetitive in nature and will require the individual to make judgment-based decisions keeping in mind the guidelines provided in the SOP.
